

CURRICULUM VITAE

STEPHANIE J. BUECHLER

BUSINESS ADDRESS

Bureau of Applied Research in Anthropology (BARA)
The University of Arizona
Emil Haury/Anthropology Bldg., Room 316
Tucson, AZ 85721-0030

E-mail: buechler@email.arizona.edu
Office Tel.: (520) 621-8256

Affiliated Faculty: Latin American Studies; Women's Studies

EDUCATION

PhD 2001 Sociology Binghamton University Binghamton, NY
(Title: Water and Guanajuato's *Ejido* Agriculture: Resource Access, Exclusion and Multiple Livelihood Strategies)

MPA 1992 Public Affairs Cornell University Ithaca, NY
(Title: Strategizing in the Face of Industrial Restructuring: Women at Work in a Foreign-owned Garment Industry and at Home in Rural America)

BA 1989 Political Science Haverford College Haverford, PA

AREAS OF EXPERTISE

Environment and Development; Environmental Justice/Environmental Equity; Gender, Climate Change, Water, and Livelihood Vulnerability; Urbanization/Environment/Livelihoods; Urban and Peri-urban Agriculture/Local Food Systems; Globalization and Food Production; Global Assembly Plants and Linkages with Agricultural and Informal Sector Employment; Applied Research; Qualitative Research Methodologies

REGIONAL FOCI

U.S. (Southwest and Northeast), Mexico, Bolivia, Honduras, India, Nepal

PROFESSIONAL AFFILIATIONS

American Anthropological Association, American Sociological Association, Latin American Studies Association, Mexican Rural Scholars Network, Gender and Water Alliance, Gender and Water Network, gender-cc Women for Climate Justice Network

PROFESSIONAL EXPERIENCE

- August 2006 – present **Research Associate.** Bureau of Applied Research in Anthropology (BARA). The University of Arizona. Tucson, Arizona. Conducting research on gender, climate change and water resource dynamics in agricultural communities in Sonora, Mexico near border for Fulbright grant. Collaborating with Colegio de Sonora faculty. Proposal writing with faculty from research institutes and departments at U of A on gender, development, water and climate issues in Arizona, Mexico and cross-border. Affiliated faculty: Latin American Studies, Women's Studies.
- January 2008 – present **Student Thesis and Independent Studies Advisor.** Center for Latin American Studies and Women's Studies Department. The University of Arizona. Tucson. Thesis advisor on gender, development, agriculture and natural resources in Latin America. Guided independent study 'Field Application of Feminist Research Methodologies' for graduate student in Women's Studies.
- August – December 2007 **Adjunct Lecturer** Center for Latin American Studies. The University of Arizona. Tucson, Arizona. Taught a new graduate course that I developed entitled 'Gender and Natural Resource Management in Latin America'. Gender and climate change, water resources, fisheries, forestry and agriculture topics addressed.
- November 2005 – May 2006 **Research Fellow.** Urban Agriculture Network. Silver Spring, MD. Developed proposals for action research on urban experiments with Green Cities projects. Contributed to update of urban agriculture book with Jac Smit and Joe Nasr. Organized database of current literature on urban and peri-urban agriculture worldwide. Supervised American University student intern from Natural Resources and Sustainable Development program.
- Fall 2005 **Adjunct Lecturer.** Clark University. Worcester, MA. International Development, Community and Environment Program. Taught graduate student course entitled 'Food Security and Livelihoods in Comparative Perspective'. Interactive, multi-method and multi-media teaching tools used.
- April 2004 – September 2005 **Research Social Scientist.** International Water Management Institute (IWMI, a publicly funded research center collaborating with U.S., European, Australian, and host-country universities and water and agriculture agencies), South Asia office, Hyderabad, India. Co-principal Investigator and primary author of successful proposal to German International Cooperation Ministry (BMZ) for Euros 800,000 (\$US 1 million) grant for multi-disciplinary research project: 'Ensuring Health and Food Safety from Rapidly Expanding Wastewater Irrigation in S. Asia'. Project goal: assess risks to livelihoods, food security and safety and health of wastewater-dependent farmers, laborers and consumers resulting from urban and peri-urban wastewater agriculture in India and Pakistan.

- October 2001 – April 2004 **Post-doctoral Researcher.** IWMI, Hyderabad, India. Research, workshop coordination, filmmaking, policy outreach, grant writing and supervision of research assistants, post doc (Rice University) and M.A. (ETH Switzerland) and B.A. (Cornell University) students. S. Asia coordinator for Resource Center for Urban Agriculture and Food Security, the Netherlands.
- 1997 – 2000 **Doctoral Researcher** (funded by IWMI) **and Co-editor of IWMI/Colegio de Postgraduados Book.** IWMI. Guanajuato, Mexico office. Socio- economic, policy aspects of canal, groundwater and wastewater irrigation.
- 1995 – 1997 **Adjunct Lecturer** ('Women's Work': 2 semesters; 'Latin American Women and their Communities').
Teaching Assistant ('Social Deviance'). Binghamton University.
- 1994 **Consultant.** Coalition on Women and Credit, New York, New York. Two consultancies in La Paz, Bolivia. May-September.
- 1992 – 1993 **Project Director Urban Microenterprise Development.** Caritas. Tegucigalpa, Honduras. Project participants: women and youth from low-income *barrio*.
- 1992 **Researcher.** Appropriate Technology International (ATI) (renamed Enterprise Works Worldwide). Washington D.C.

PUBLICATIONS

Books and Monographs

Stephanie Buechler and Emma Zapata (eds.). 2000. Género y Manejo de Agua y Tierra en Comunidades Rurales de México. [Gender and the Management of Water and Land in Mexican Rural Communities]. Serie Latinoamericana. Mexico, D.F.: International Water Management Institute and the Colegio de Postgraduados, Montecillo.

Refereed Articles and Book chapters

Stephanie Buechler. In preparation. "Mexico-U.S.-Mexico Migration in the Context of Economic Crisis?"

Stephanie Buechler. In preparation. "The Missing Links: Gender and Labor in Agriculture, *Maquiladoras* and Urban-based Businesses in Sonora near the Mexico-U.S. Border".

Stephanie Buechler. In preparation. "Preserving Social Networks and Canning Creativity in the Context of Globalization: Gendered Fruit and Vegetable Processing Near the Mexico-U.S. Border".

Stephanie Buechler. Under Review. "Sustainability of Gendered Agricultural Production in the Context of Water of Scarcity and Climate Change on the Mexican Border with the United States". Maria Luz Cruz Torres and Pamela McElwee (eds.) Gender and Sustainability in Environment and Development Processes: A Cross-Cultural Perspective (tentative title). University of Arizona Press.

- Stephanie Buechler and Martha Meneses. 1994. Con La Cabeza Hay Que Hablar-Estudio de Impacto del Efecto del Crédito en las Microempresas de las Mujeres Clientes del Banco Solidario. [One has to speak with one's head-Impact Study of Credit and Microenterprises among Female Clients of the Solidarity Bank] La Paz, Bolivia. A consultancy report prepared for the Coalition on Women and Credit, New York, New York.

SELECTED CONFERENCE PRESENTATIONS

(* Indicates Invited Paper)

- Stephanie Buechler. The Effect of Climate Change and Water Scarcity on Gendered Fruit and Vegetable Production and Processing in Sonora, Mexico near the Mexico-U.S. Border. Paper to be presented on panel 'Water Wars: Water as a Commodity or as a Human Right'. Chair: June Nash. Americanist Meetings. July 2009. Mexico City.*
- Stephanie Buechler. Mexico-U.S.-Mexico Migration in the Context of Economic Crisis? Cases from Guanajuato and Sonora, Mexico. Paper to be presented on panel 'Immigrants and the Rescaling of Governance during Times of Economic and Political Crises'. Conference: 'Reconceptualizing Migration: Economies, Societies, Biopolitics', sponsored by the Committee on Global Thought (CGT) at Columbia University, Professor Joseph Stiglitz, chair. April 2009. New York City.*
- Stephanie Buechler. Water Resources, Migration and Dynamic Gendered Livelihoods on the Mexican border with the United States. Paper to be presented on panel 'Migratory Studies' for Mid-term Reunion of Fulbright Scholars. February 2009. Mexico City.*

- Stephanie Buechler. Sustainability and Gendered Agricultural Production in the Context of Water of Scarcity and Climate Change on the Mexican Border with the United States. Paper presented on panel 'Gender and Sustainability' at the American Anthropological Association Annual Meetings. November, 19-23, 2008. San Francisco. *
- Stephanie Buechler. Water Scarcity Implications for Agriculture, Development and Migration near Magdalena, Sonora, Mexico. Paper presented on panel 'El Impacto de la Migración en el Desarrollo Local' at the Latin American Studies Association Congress. September 5-8, 2007. Montreal, Canada. *
- Stephanie Buechler and Gayathri Devi. Spatial and Gender Dynamics of the Effects of Growing Urban Areas on Irrigated Agriculture in Central Mexico and South India. Paper presented on panel 'Gender Geographies of Water' at the American Association of Geography Annual Meetings. April 19, 2007. San Francisco. *
- Stephanie Buechler and Gayathri Devi. "Highlighting the User in Wastewater Research: Gender, Caste and Class in the Study of Wastewater Management in Hyderabad, India". Paper presented at workshop on gender and water funded by SaciWaters, Hyderabad and Wageningen University, the Netherlands. October 9-13, 2006. Hyderabad, India. *
- Stephanie Buechler and Gayathri Devi. "Local Responses to Water Resource Degradation: Innovations of Groundwater Farmers in a Rapidly Urbanizing Area of India". American Sociological Association Annual Meetings. August 13-16, 2005. Philadelphia.
- Stephanie Buechler. "Male Migration and Female Producers, the Case of Guanajuato, Mexico". Latin American Studies Association Congress. September, 2001. Washington, D.C.
- Stephanie Buechler. "Las Mujeres Productoras, el Riego y la Migración Masculina en Guanajuato". Presented as part of panel chaired by Stephanie Buechler entitled 'Género y Agua en el Ámbito Rural' for the Latin American Association of Rural Sociology (ALASRU). June, 2001. Zacatecas, Mexico.
- Stephanie Buechler. "For Us, This Water is Life, Irrigation under Adverse Conditions: Wastewater Users in Irapuato, Mexico". Rural Sociological Society Annual Meetings. August, 2000. Washington, D.C.
- Stephanie Buechler. "El Trabajo de las Mujeres, Niños y Hombres en Parcelas Pequeñas Bajo Riego en Tiempos de Crisis". Presented on panel 'Las Políticas de Cambio Estructural en el Campo Mexicano: Escenarios y Respuestas'. Latin American Studies Association, International Congress. March, 2000. Miami.
- Stephanie Buechler. "Irrigated Agriculture on Mexican *Ejid*os: Complementarities with Off-farm Economic Strategies". Presented on panel chaired by Stephanie Buechler, 'Water, the Environment and Gender Relations in Mexican Households'. Latin American Studies Association, International Congress. September 1998. Chicago.

RESEARCH AND FIELDWORK

- | | |
|-------------------------|--|
| January 2009- | U.S.-Mexico Migration in the Context of the Global Economic Crisis. Guanajuato, Mexico and Sonora, Mexico. May Foundation and Fulbright Border Grant. |
| November 2007 – ongoing | Gendered On and Off-farm Labor and Migration in the Context of Water Scarcity and Climate Change in Sonora, Mexico. Resource Center for Urban Agriculture and Food Security, Magellan Circle Award and Fulbright Border Grant. |

Summer 2007	Low-income households in Tucson, AZ, water harvesting and greywater use. Exploratory study with Water Resource Research Center. Arizona Water Institute faculty grant.
Fall 2006	Gendered Livelihoods and Wastewater Use in and around Hyderabad, India. Follow-up gender and water research, book workshop participation, led workshop participant tour to wastewater field sites and showed documentary film. Saciwaters, Hyderabad, Wageningen University and Dutch government.
2004 – 2005	Urbanization, Natural Resource Degradation and Groundwater User Innovation. Funded by IWMI and TATA Foundation.
2003	Food security, Gender and Wastewater-dependent Farming Households. Funded by IWMI and the World Health Organization.
Fall 2001 – Summer 2003	Social stratification in access and use of wastewater for irrigated agriculture in spatially distributed urban, peri-urban and rural areas along a river. Gender and livelihoods in urban, peri-urban and rural agriculture and off-farm employment. Funded by IWMI and the RUA Foundation, International Development Research Centre, U.S. Agency for International Development and the UK Department for International Development.
Summers: 2003 and 2004	Groundwater and Social Stratification in Guanajuato's Rural Communities. With Dr. Tushaar Shah, IWMI and Dr. Christopher Scott, IWMI.
Fall 2000 – Spring 2001	Dissertation Year Fellowship for write-up. Binghamton University.
Fall 1997 – Summer 2000	Water and Guanajuato's <i>Ejido</i> Agriculture: Resource Access, Exclusion and Multiple Livelihood Strategies. Dissertation research. IWMI and Ford Foundation.
1999	Gender and the Management of Land and Water in Rural Communities in Mexico. With Dr. Emma Zapata. Funded by International Water Management Institute and the Colegio de Postgraduados, Montecillo, Mexico. Edited book project.
Fall 1996	Pre-dissertation research. Livelihoods and water access. Mexico. IWMI.
Summer 1994	The effect of credit on women microentrepreneurs. La Paz, Bolivia. Funded by Women's World Banking, New York, New York.
1993	Gender, age and class in domestic water use and provision in a <i>barrio</i> of Tegucigalpa. Funded by Caritas, Tegucigalpa, Honduras.
1992	Appropriate technologies for small-scale enterprises. Review of the literature and ATI projects. Funded by Enterprise Works Worldwide (formerly ATI).
1991	Strategizing in the Face of Industrial Restructuring: Women at Work in a Foreign Owned Garment Industry and at Home in Rural America. Funded by USDA ERS grant through thesis advisor, Dr. Shelley Feldman, Cornell University and Beatrice Brown Award for thesis research.

TEACHING

January 2008 –present	Student Thesis Advisor. Latin American Studies Program. University of Arizona. Tucson, AZ. Graduate student theses committee member on gender, development, agriculture and natural resources topics in Latin America.
January-May 2008	Independent Studies Course Instructor. Women’s Studies Department. University of Arizona. Guided Independent Study ‘Field Application of Feminist Research Methodologies’ for graduate student in Women’s Studies. Took student to fieldsites in Sonora, Mexico; guided relevant readings and term paper.
August-December 2007	Adjunct Lecturer. Latin American Studies Program. University of Arizona. Taught a new graduate course that I developed entitled ‘Gender and Natural Resource Management in Latin America’. Gender and climate change, water resources, fishing, forestry and agriculture topics addressed.
Fall 2005	Adjunct Lecturer. Clark University. Worcester, MA. International Development, Community and Environment Program. Taught graduate student course entitled ‘Food Security and Livelihoods in Comparative Perspective’. Interactive, multi-method and multi-media teaching tools used.
August 1995-1997	Adjunct Lecturer. Binghamton University. Binghamton, NY. Sociology Department. Taught undergraduate courses: ‘Women’s Work’ for 2 semesters and ‘Latin American Women and their Communities’.
August-December 1996	Teaching Assistant. Binghamton University. Sociology Department. Taught undergraduate discussion section of course entitled ‘Social Deviance’ covering topics about the U.S.

FELLOWSHIPS, GRANTS AND AWARDS

Source and Value of Research Grants:

With BARA and Latin American Studies:

In review for 2009: National Science Foundation	<u>\$50,000</u>
In review for 2009: Environmental Protection Agency	<u>\$50,000</u>
May Foundation	<u>\$600</u>
Fulbright Border Program (August 2008-May 2009)	<u>\$13,000</u>
Resource Center on Urban Agriculture and Forestry	<u>\$800</u>
Magellan Circle Award	<u>\$500</u>
Center for Latin American Studies, University of Arizona, travel grant	<u>\$300</u>
Arizona Water Institute	<u>\$9,500</u>
Dutch Government and SaciWaters	<u>\$7,000</u>
With IWMI:	
US Agency for International Development	<u>\$70,000</u>
UK Department for International Development	<u>\$190,000</u>
Resource Center for Urban Agriculture and Food Security (RUAF) Foundation, the Netherlands	<u>\$650,000</u>
The International Development Research Centre (IDRC), Canada	<u>\$200,000</u>
World Health Organization (WHO)	<u>\$3,500</u>

German International Cooperation Ministry (BMZ)	<u>\$1,010,000</u>
Core IWMI funding from four research themes: Sustainable Groundwater Management; Water, Health and the Environment; Water Resources, Institutions and Policy; Smallholders and Institutions	<u>\$200,000</u>
2001	Dissertation Year Fellowship Award. Binghamton University.
1997-2000	IWMI funding for stipend, dissertation research expenses, write-up.
1991	Beatrice Brown Award for Master's thesis. Cornell University.
